Subject: Update Contact Information, Bromide Mining LLC., Bromide Basin Mine, S/017/0031, Garfield County, Utah

Dear Ms. Sheffer, Mr. Goldgraber:

The Division of Oil, Gas and Mining was notified that there have been changes to the officers and contact person for the Bromide Mining LLC and the Bromide mine, specifically that Kim Wilson is no longer associated with the mine. Please update the officers/contact in the Notice of Intention to Commence Small Mining Operations (NOI) by June 30, 2014.

In a letter dated October 3, 2013, the Division required that the reclamation surety be increased to \$57,600.00 (current surety is \$25,000.00). **Please submit the additional \$32,600.00 by July 31, 2014. Failure to maintain adequate surety may result in the Division taking enforcement action which could include fines and withdrawal of the NOI.**

**The fine for cessation order MC 2013-42-03 in the amount of \$484.00 has not been paid.** Please submit payment by June 30, 2014.

Please contact Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions or concerns regarding this letter.

Sincerely,

  
Paul B. Baker  
Minerals Program Manager
